

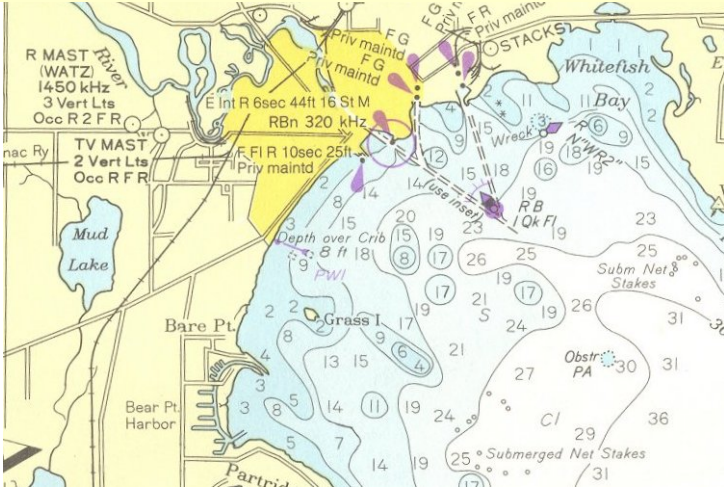

CHARTING A COURSE FOR ALPENA

"Identifying Choices for our Future"

You are invited to participate in
planning for the future of Alpena.
What do you want the City to be in
the year 2030?

Community Input Session

Location and Time:

Alpena Civic Center

133 Johnson Street

Wednesday, September 13 at 6:30 PM

The City of Alpena Planning Commission is updating the **City's Comprehensive Plan**. Background studies have been completed that profile the community (**Where are we now?**) and analyze the trends (**Where are we going?**) The next critical step is to create a vision of where the community wants to be in the future. To accomplish this important step, the Planning Commission, with the assistance of the Northeast Michigan Council of Governments, is holding a community input session to solicit ideas from residents and business owners.

The public is invited to take part in an evening planning session to be held at the Civic Center on September 13 at 6:30 p.m. **All** attendees will be encouraged to actively participate in the process and provide input to the planning commission. Participants will first be asked to identify:

- ▶ **Community Assets to Protect**
- ▶ **Community Issues to Address**
- ▶ **What is your desired future vision for Alpena in 2030?**
