**Cheboygan Heritage Route Minutes**

**Present:** Emily Myerson – guest, Jack Pilon – DNR, Laura Ingles

Special meeting called to discuss signage along the bike path from Mackinaw City to the City of Cheboygan. Emily Myerson was asked to present future plans for the trail. She was also there to answer questions about signage: what's, how's, why's and can dos.

Emily recommended that she be contacted via telephone for future questions. She recommended that all trail projects go through her so that they do not get misdirected at the state level.

Jack Pilon recommended he be replaced on the team with Robin Pierson from his office.

Meeting adjourned at 11:45 am.
