July 9, 2009
11:30 am
Cheboygan Heritage Route Minutes

Present: Jack Keck, Steve Schnell, Laura Ingles

Management Council Update:

Steve believes he can get the County to approve representatives to the Management Council in August. He is waiting for the updated bylaws to share with the board.

Management Plan Update:

Section 4: Priority projects changes were reviewed.

Section 3: Goals and objectives were reviewed. Goals and Objectives were basically approved as they were. Priority projects were adjusted or changed.

- Second project was duplicated down the list, so one was eliminated.

- Took out investigate and implement best methods to protect them. Prefer to promote the protection of sensitive areas.

- Scenic views identified and prioritized and shared with land-use decision makers.

- next to last item – added create blight ordinance specific to Heritage Route needs for use along entire route.

- Create themes for route ie ghost towns

Laura will make these changes and send updates to Denise Cline.

Next Meeting:

Will schedule one in August only if there is a need for one.
